

ALL-GENDER RESTROOM MAP

* The number in the icon denotes the number of gender-inclusive restrooms available in each building
 * Locations are not exact, please see backside for room numbers

In accordance with the University's nondiscrimination policies, All-Gender Restrooms at UCLA are single stall facilities that seek to create an inclusive campus environment and enhance climate for transgender and gender variant people and many other populations. The standardized signage meets California building code while challenging traditional binary notions of gender.
